Curriculum Vitae

Personal information

Name	Ahmed Mohamed Soliman Hegazy		
Address(es)	Khafer shoker, qualioby – Egypt		
Telephone(s)	0020132508473	Saudi Mobile:	00966562301954
	00201061015066		00966541652076
Marital status	Married		
Nationality	Egyptian		
Date of birth	15/8/1970		
Military status	Exempted		

E-mail address **ahmed0562301954@yahoo.com**

Objective **To be presented to whom it may concern**

Work experience

Date	From March 2013 till now
Occupation or position held	Associate professor of Anatomy and Embryology
Type of business or sector	Benha Medical collage, Benha University.
Place	Egypt
Date	From March 2013 till now
Occupation or position held	Associate professor of Anatomy and Embryology and Head of anatomy Department
Type of business or sector	Faculty of Medicine, Northern Border University (NBU)
Place	Saudi Arabia, Arar
Date	From April 2009 till March 2013.
Occupation or position held	Assistant professor of Anatomy and Embryology and Head of anatomy Department
Type of business or sector	Faculty of Medicine, Northern Border University (NBU)
Place	Saudi Arabia, Arar

Date	From October 2007 till Marsh 2009.
Occupation or position held	Assistant professor of Anatomy and Embryology
Type of business or sector	Batterjee Medical collage (BMC)
Place	Saudi Arabia, Jeddah
Date	From January 2008 till Marsh 2009.
Occupation or position held	General Academic Supervisor
Type of business or sector	The Saudi German Institute for Nursing and Allied Health Sciences (SGNA)
Place	Saudi Arabia, Jeddah
Date	From January 2007 to January 2008
Occupation or position held	Head of Basic sciences department
Type of business or sector	The Saudi German Institute for Nursing and Allied Health Sciences (SGNA)
Place	Saudi Arabia, Jeddah
Date	From March 2006 to January 2007
Occupation or position held	Anatomy and Physiology Instructor
Type of business or sector	The Saudi German Institute for Nursing and Allied Health Sciences (SGNA)
Place	Saudi Arabia, Jeddah
Date	From September 2005 to March 2006
Occupation or position held	Assistant professor of Anatomy and Embryology
Type of business or sector	Misr International University (MIU)
Place	Cairo, Egypt
Date	From September 2005 to March 2006
Occupation or position held	Assistant professor of Anatomy and Embryology
Type of business or sector	Benha institute of Nursing and institute of technician - Zagazige University
Place	Benha, Egypt
Date	From September 2005 to March 2006
Occupation or position held	Assistant professor of Anatomy and Embryology
Type of business or sector	Faculty of Nursing - Zagazige University
Place	Benha, Egypt
Date	From September 2005 to March 2006
Occupation or position held	Assistant professor of Anatomy and Embryology
Type of business or sector	Faculty of Medicine - Zagazige University
Place	Benha, Egypt
Date	From April 2001 to September 2005
Occupation or position held	Lecturer of Anatomy and Embryology
Type of business or sector	Faculty of Medicine - Zagazige University
Place	Benha, Egypt
Date	From April 2001 to September 2005
Occupation or position held	Lecturer of Anatomy and Embryology
Type of business or sector	Misr International University (MIU)
Place	Cairo, Egypt

Date	From July 1996 to April 2001
Occupation or position held	Assistant Lecturer of Anatomy and Embryology
Type of business or sector	Faculty of Medicine - Zagazige University
Place	Benha, Egypt
Education	The overlapped dates due to working in more than one site at the same period
Date	March 2013
Title of qualification awarded	Associate professor degree of Anatomy and Embryology
Name and type of organization providing education	Faculty of Medicine, Zagazige University, Benha - Egypt
Date	May 2005
Title of qualification awarded	M.D. degree of Anatomy and Embryology
Name and type of organization providing education	Faculty of Medicine, Zagazige University, Benha - Egypt
Date	May 2001
Title of qualification awarded	Master degree of Anatomy and Embryology
Name and type of organization providing education	Faculty of Medicine, Zagazige University, Benha - Egypt
General grade	Very Good
Date	December 1994
Title of qualification awarded	Bachelor degree of Medicine and Surgery
Name and type of organization providing education	Faculty of Medicine, Zagazige University, Benha - Egypt
General grade	Very Good
Experience in Teaching Anatomy, Histology and Embryology	<ul style="list-style-type: none"> • For Postgraduates (Master and MD). • For Undergraduate Medical Students. • For the Paramedical students. • For Students of the Faculty of Pharmacy. • For Students of the Faculty of Dentistry. <p>Dealing with the Anatomy, Histology, Neuroanatomy and Embryology content of the following varieties of Curricula:</p> <p>In the Traditional Curriculum (Regional Anatomy).</p> <p>In Blocks Form Curriculum (Modules) Systemic Anatomy.</p> <p>In the Hybrid Form Curriculum (Core Courses + Modules).</p> <p>In the Problem Based Learning (PBL) Curriculum.</p> <ul style="list-style-type: none"> • The establishment of the Faculty of Medicine, Northern Border University (NBU) in terms of the curriculum and equipment. • The establishment of the anatomy department Faculty of Medicine, Northern Border University (NBU) in terms of the curriculum and equipment. • Director of the training program and continuous medical education for the staff members of the Faculty of Medicine, Northern Border University (NBU), Saudi Arabia (KSA).

in

Member	<ul style="list-style-type: none">• Egyptian Association of anatomy.• Cultural Committee of the Faculty of Medicine, Benha University.• Quality Committee and Academic Accreditation, Faculty of Medicine, Benha University.• Board of the Faculty of Medicine, Northern Border University (NBU).• Quality Committee and Academic Accreditation, Faculty of Medicine, Northern Border University (NBU).• Curriculum Committee of the Faculty of Medicine, Northern Border University (NBU).
Personal skills and competences	
Mother tongue	Arabic
Other language(s)	English
Social skills and competences	Team spirit; Good ability to adapt to multicultural environments, gained through my work experience abroad; Good communication skills gained through contact between students & faculty in the classroom, research and various extracurricular activities.
Computer skills and competences	Good command of Microsoft Office™ tools (Word™, Excel™ and PowerPoint™), and internet.
Publications	<ol style="list-style-type: none">1- Anatomical variations of the human sural nerve and its role in clinical and surgical procedures. Published online 14 October (2010) in Wiley online Library (Wiley online Library.com). Published in Clinical Anatomy (2011) 24: 237-2452- Correlation between Anatomical and Neurophysiological Findings in Carpal Tunnel Syndrome. Egyptian Journal of Medical Sciences - Volume 29 (2) December 2008 (Appendix - 2).3- Correlations Between Clinical Examination and Risk Factors in Early Detection of Developmental Dysplasia of The Hip Joint. Egyptian Journal of Medical Sciences - Volume 31 (2) December 2010 (Appendix - 2).4- EVALUATION OF SOME TOOLS USED IN THE DIAGNOSIS OF CONGENITAL UTERINE ANOMALIES. Egyptian Journal of Medical Sciences - Volume 31 (1) June 2010 (Appendix - 1).5- Anatomical study of the human anterior cruciate ligament for its reconstruction (a cadaveric, arthroscopic and MRI study). Egyptian Journal of Medical Sciences - Volume 28 (1) June 2007 (Appendix - 1).6- Ulnar measurements for sex discrimination: A Radiological study of healthy volunteers. Medical Journal of Tanta University Volume (38) April 2010.

- 7- Structural and ultra-structural testicular effects of chronic heavy exposure to methyl-xanthine derivatives: An experimental animal study. Accepted for publication in The Journal of Benha Medical College.
- 8- ANATOMICAL VARIATIONS AND MORPHOMETRIC STUDY OF THE MEDIAL ASPECT OF THE HUMAN MAXILLARY SINUS FOR CLINICAL APPLICATION. Accepted for publication in The Journal of Benha Medical College.
- 9- Silymarin Ameliorates Hepatotoxic Effect of Cisplatin: A Structural and Ultrastructural study of Adult Albino Rats. Journal of American Science J Am Sci 2012;8(12):490-498]. (ISSN: 1545-1003). <http://www.jofamericanscience.org>. 68

- 19- Overview on the Anatomical and Clinical Aspects of Mandibular Prognathism. International Journal of Clinical and Developmental Anatomy. Vol. 1, No. 3, 2015, pp. 64-69. doi: 10.11648/j.ijcda.20150103.12
- 20- Study of the Age Related Changes in the Lumbar Spine in Egyptian People Detected by Magnetic Resonance Imaging (MRI). International Journal of Clinical and Developmental Anatomy. Vol. 1, No. 2, 2015, pp. 42-51. doi: 10.11648/j.ijcda.20150102.14
- 21- Protective Effect of Curcumin versus N-acetylcystein on Acetaminophen Induced Hepatotoxicity in Adult Albino Rats. Cytology & Histology Journal: 2015, S3; 1-8. <http://dx.doi.org/10.4172/2157-7099.S3-018>

launch a new International journal

- **International Journal of Clinical and Developmental Anatomy (IJCDA)**

Editor-in-Chief

- **International Journal of Clinical and Developmental Anatomy (IJCDA)**

Editorial Board Member In Many International Journals

- Cell Biology Journal.
- American Journal of Clinical and Experimental Medicine.
- International Journal of Biomedical Science and Engineering.
- Pyrex Journal Of Medicine And Medical Sciences (PJMMMS).
- Pyrex Journal Of Medicinal Plant Research (PJMPR).
- Pyrex Journal Of Biomedical Research (PJBR).
- Pyrex Journal Of Educational Research And Reviews (PJERR).
- Merit Research Journal of Medicine and Medical Sciences (MRJMMS)
- International Journal of Animal Biology.
- International Journal of Preventive Medicine Research.
- Clinical Medicine Journal

Reviewer In Many International Journals

- Clinical Anatomy Journal.
- Anatomy & Physiology Journal.
- Annual Research & Review in Biology.
- British Journal of Applied Science & Technology.
- Clinical Medicine Research Journal.
- Cell Biology Journal.
- Journal of Advances in Biology & Biotechnology.
- American Journal of Clinical and Experimental Medicine (AJCEM)
- Journal of toxicology and environmental health sciences.
- International Journal of Biochemistry Research & Review.

Main activities and responsibility

- Journal of International Research in Medical and Pharmaceutical Sciences.
- European Journal of Medicinal Plants.
- Clinical Medicine Journal.
- International Journal of Preventive Medicine Research.
- International Journal of Animal Biology.
- American Journal of Educational Science.
- American Journal of Clinical Neurology and Neurosurgery

And many other International Journals

- Preparing and delivering basic sciences lectures such as Anatomy, Histology, Neuroanatomy and Embryology to the Medical students, Pharmacy students, Dental students, Nursing students and Postgraduate students.
- Preparing practical sessions and teaching materials needed for the courses.
- Preparing the sallybus and the time table needed to the courses
- Preparing exams, mark tests and evaluate the students
- Advising students and conduct them to prepare assignments during the courses.
- Attending meetings to discuss the progress of the students and some administrative issues related to the college.
- Prepare a problem based learning workshop for the staff as part of academic development.
- Working with 13 of the most qualified German professors in the Batterjee Medical college (BMC)

Attending hundreds of workshops, conferences and seminars in Anatomy, Histology, Embryology, Neuroanatomy, Problem Based Learning (PBL) and Medical Education.
