

CURRICULUM VITAE

A. Personal Information:

- **Name:** Elryah Ibrahim Mohammed Ali.
- **Nationality:** Sudanese.
- **Languages:** Arabic and English.
- **Title:** Assistant professor.
- **Place and date of birth :** Arbagi, Sudan,1972.
- **Current address:** Faculty of Applied Medical Sciences. Northern Border University. Arar – Saudi Arabia.
- **Mailing address:**
- **P.O. Box:** 1321, Northern Border University, Arar - KSA.
- **Phone:** +966-595836224
- **Whats app:** +966-546778425
- **Email address:** alryah23@hotmail.com
elryah.ali@nbu.edu.sa

Present Appointment:

- Assistant professor of Histopathology & Cytology, Department of Medical Laboratory Technology - Faculty of Applied Medical Sciences. Northern Border University. Arar – Saudi Arabia.

Qualifications:

1. **Ph.D:** (Medical Laboratory Sciences), (Histopathology & Cytology), 24/3/2014. Al-zaiem Al-azhari University (AAU), Khartoum North – Sudan.
2. **M.Sc:** Histopathology & Cytology, 3/6/2004. Faculty of Medical Laboratory Sciences. (AAU). Khartoum North – Sudan.

3. **Bachelor Degree:** Histopathology & Cytology, 13/7/1999. Faculty of Medical Laboratory Sciences. (AAU). Khartoum North – Sudan.

Professional and academic Experiences:

1. Teaching assistant (Cooperating), in Histopathology & Cytology, Faculty of Medical Laboratory Sciences. (AAU). April 1999 – July 2001. Khartoum North - Sudan.
2. Appointed full-time teaching assistant, in Histopathology & Cytology, Faculty of Medical Laboratory Sciences. (AAU). July 2001 – June 2004. Khartoum North - Sudan.
3. Teaching assistant, Faculty of Post-graduate and Scientific research, Medical laboratory Sciences, (AAU), 2002 – 2004. Khartoum North - Sudan.
4. Lecturer, in Histopathology & Cytology, Faculty of Medical Laboratory Sciences. (AAU). July 2004 – March 2010. Khartoum North - Sudan.
5. Lecturer, Faculty of Post-graduate and Scientific research, Medical laboratory Sciences, (AAU), 2004 – 2010. Khartoum North - Sudan.
6. Lecturer, Department of Pathology, Faculty of Medicine and Applied Medical Sciences, 2010 – 2015. Northern Border University (NBU). Arar – Saudi Arabia
7. Assistant professor, Department of Medical Laboratory Sciences (Histopathology&cytology), Faculty of Applied Medical Sciences, 2015 up to date. Northern Border University (NBU). Arar – Saudi Arabia

Courses Taught :

- Theory and practice of Histological techniques-1 (3 credit hours)
- Theory and practice of Histological techniques-2 (4 credit hours)
- Theory and practice of General pathology (2 credit hours)

- Clinical Rotation Histopathology&cytology (2 credit hours)
- Practical of Surgical pathology for fourth year medical students (1 credit hour)
- Practical of Surgical pathology for fifth year medical students (1 credit hour)
- Immunohistochemistry
- Enzymehistochemistry
- Cyto- pathology
- Human histology
- Proposal writing.

Training courses:

1. Educational planning (Community-oriented medical education/problem-based learning) and educational evaluation course run in the form of workshop in period 21/7/2002 – 25/8/2002, (Total three credit hours) Faculty of Medical Laboratory Sciences, (AAU). Khartoum North - Sudan.
2. Training course in Cytology covering (Dysplasia cytomorphology in conventional smears, Dysplasia cytomorphology in LBC smears, sources of diagnostic pitfalls in cervical cytology & terminology and reporting system in cervical cytology), 22/10/2007. University of Sciences and Technology, Omdurman, Sudan.
3. Training course in Immunohistochemistry (IHC), Faculty of medicine, Ahfad University, December 2009. Omdurman, Sudan.
4. Training course in application of transmission electron microscopy in diagnosis of human biopsy in Royal medical services 5/7/2012 to 8/8/2012 and from 10/7/2012 – 11/8/2012 and from 17/6/2013 to 16/7/2013. Amman- Jordan.

Workshops:

1. Participation in the Basic session, for the promotion of the performance of the Academic staff, (AAU), 29/11/2005 – 13/12/2005. Khartoum North - Sudan.
2. Participated in the workshop of the Evaluation and Assessment of students and courses outline design, Medical and Health education development center, Faculty of Medicine, (AAU), December 21 to 23/2008. Khartoum North - Sudan.
3. Participation in the workshop about research skills course, Medical and Health education development center, Faculty of Medicine, (AAU), 21/4/2009 – 23/4/2009. Khartoum North - Sudan.
4. Attendance and participation in the research methodology workshop on " Held on Safar 6,1432h (January 10,2011) Northern Borders University. Arar, KSA.
5. Participation in the medical education workshop on "Assessment of competence" Held on Jamadi-I 21, 28 & Jamadi-II 6, 1432 H (April 25, May 2 & 9, 2011). (NBU). Arar, KSA.
6. Attendance and participation in Medical biostatistics oriented faculty members" Held on 14/7/1436 to 17/7/1436 H. (NBU). Arar, KSA.
7. Attendance and participation in the Effective teaching strategies program" Held on 30/12/1436 to 1/1/1437 H. (NBU). Arar, KSA.
8. Participation in the medical education workshop on "Total quality management in medical education" Held on Dhul-Qa'dah 12, 1432 H (October 10, 2011). (NBU). Arar, KSA.
9. Attendance and participation in Blackboard Learn workshop for faculties for nine hours from 31/3/2014 to 3/4/2014. (NBU). Arar, KSA.

10. Attendance and participation in design and preparation of training packages workshop for three days from 13/1/1437 to 15/1/1437H. (NBU). Arar, KSA.

Achievements:

1. Member, of the Senate of the (AAU), July 2004 – November 2008. Khartoum North – Sudan
2. Member, Faculty Board, Faculty of Medical Laboratory Sciences, (AAU), July 2004 – November 2008. Khartoum North - Sudan
3. Member, Scientific Research Board, Faculty of Medical Laboratory Sciences, (AAU), July 2004 – November 2008. Khartoum North – Sudan.
4. Member, National higher education and Scientific research committee, May 2007. (AAU), Khartoum – Sudan
5. Member, Students rehabilitation committee for students from less developed area, Faculty of Medical Laboratory Sciences, (AAU), 24/9/2005. Khartoum North – Sudan
6. Member, the major committee for collaborations, (AAU), 2008. Khartoum North – Sudan
7. Member, Academic office, Faculty of Medical Laboratory Sciences and Faculty of Radiology and photography, (AAU), September 2001. Khartoum North – Sudan
8. Member, Equipments and chemicals distribution committee, Ministry of higher education and scientific research, Republic of the Sudan, November 2001.
9. Member, Students interviewing committee, Faculty of Medical Laboratory Sciences, (AAU), 11/12/2002 – 17/12/2002. Khartoum North – Sudan

10. Member, Laboratory stock-taking committee, Faculty of Medical Laboratory Sciences, (AAU), 22/4/2002 – 1/5/2002 and 21/9/2002 – 5/10/2002. Khartoum North – Sudan
11. Member, the Examination internal regulations committee, Faculty of Medical Laboratory Sciences, (AAU), 15/10/2003 – 10/8/2010. Khartoum North – Sudan
12. Member, higher studies and scientific research, Faculty of Medical Laboratory Sciences, (AAU), July 2004 – November 2008. Khartoum North – Sudan
13. Member, the committee of Revision of academic records, Faculty of Medical Laboratory Sciences, (AAU), July 2007. Khartoum North – Sudan
14. Member, The examination committee, Faculty of Medical Laboratory Sciences, (AAU), July 2007. Khartoum North – Sudan.
15. Member, Curriculum committee, Faculty of Medical Laboratory Sciences, (AAU), 2001 - 2008. Khartoum North – Sudan.
16. Member, The scientific research committee, Faculty of Medicine and Applied Medical Sciences, 14/5/1432 to 13/5/1433. (NBU). Arar, KSA.
17. Member, the laboratory committee at the Faculty of Applied Medical Sciences at 1/7/1436 H, (NBU). Arar, KSA.
18. Member, Research Committee , Faculty of Medicine and Applied Medical Sciences, 1433 H (NBU). Arar, KSA.
19. Member, Curriculum committee, Faculty of Applied Medical Sciences, Department of Medical Laboratory Technology, (NBU), 2015 to date. Arar, KSA.
20. Member, Strategy planning, Faculty of Applied Medical Sciences, Department of Medical Laboratory Technology, (NBU), 2015 to date. Arar, KSA.

21. Member, Quality control, Faculty of Applied Medical Sciences, Department of Medical Laboratory Technology, (NBU), 2015 to date. Arar, KSA.
22. Member, Academic Accreditation committee, Faculty of Applied Medical Sciences, Department of Medical Laboratory Technology, (NBU), 2017 to date. Arar, KSA.
23. Chairman, Curriculum workshop, Faculty of Medical Laboratory Sciences, (AAU), August 2008. Khartoum North – Sudan.
24. Chairman, Strategy planning, Faculty of Medical Laboratory Sciences, (AAU), October 2008. Khartoum North – Sudan.

Jobs:

1. Coordinator, department of Histopathology & Cytology, Faculty of Medical Laboratory Sciences, (AAU) from April 1999 to July 2004.
2. Head department of Histopathology & Cytology, Faculty of Medical Laboratory Sciences, (AAU) from July 2004 to November 2008.
3. Technical and administrative director in, Medical Laboratory Sciences, Friendship Hospital – Omdurman, Omdurman – Sudan from 1/7/1999 to 31/6/2001.
4. Technical and administrative director in Al-Amal Specialized Medical Lab for Histopathology, Supervisor: Dr. Ishraga Ahmed Farga Alla, Khartoum North-Sudan from November 2001 to August 2010.
5. Training supervisor, Graduating class, Soba Teaching Hospital, University of Khartoum, Khartoum – Sudan from 10/4/2003 to 9/6/2003.

6. Laboratory supervisor, Histopathology & Cytopathology lab, Arar Central Hospital – Northern Border University, Arar – KSA 1/7/2011.
7. Examinations coordinator, Faculty of Applied Medical Sciences, Department of Medical Laboratory Sciences, Northern border University, 2015 to date.
8. Initiated with others of the Faculty of Medical Laboratory Sciences, (AAU).
9. Initiated with others of the National University of Medical and technological studies (Professor Qurashi Mohammed Ali, University), Khartoum – Sudan.

Research:

1. Supervision over the graduation research for the fifth year Faculty of Medical Laboratory Sciences, (AAU).
2. Early detection of Cervical cancer in Sudanese women, Faculty of Medicine, (AAU).
3. A comparative study between different types of stains in Demonstrating Cytological Features of Cervical smears.
4. Electron microscopic findings in renal biopsy in patients with glomerulonephritis.
5. Immunohistochemical Assessment of skin biopsy from Vitiligo patients, Faculty of Medicine and Applied Medical Sciences. Northern Border University. Arar – KSA.
6. Experimental Study of the Mechanism behind Vitiligo at Northern Border Province in Saudi Arabia.
7. Descriptive Cross-Sectional Study of Bcl2 & p53 Expression in Patients with Generalized Vitiligo at Arar City of Northern Saudi Arabia.

Membership :

1. The National Council for Medical and Health Professions, Medical Lab department. Khartoum - Sudan.
2. Sudanese Association of Medical Lab Sciences. Khartoum - Sudan.
3. Instructor of the Histopathology session for the higher diploma graduate student program, Faculty of Medical Laboratory Sciences, University of Alzaeim Alazhari, Histopathology department, 2004 - 2010. Khartoum - Sudan

Career History:

- Teaching the Medical Laboratory Technology students of different levels various histopathology and cytopathology subjects like:
 - Normal Human Histology
 - Histopathology Technique-1
 - Histopathology Technique-2
 - General pathology
 - Clinical Rotation Histopathology and cytology
- Delivering practical and tutorial sessions for Histopathology and cytology courses.
- Teaching via using visual aids, slides, and the good materials.
- Organizing various class and interclass activities to increase the interaction between students.
- Conducting presentation by the students on different topics for their development.
- Supervising student's research projects in Histopathology and cytology topics.
- Involved in the research and designing of new courses and materials.
- Participating in laboratory module teaching for medical students in surgical pathology.

- Assessing students course work and material
- Preparing and mark all Histopathology and cytology exams.

Personality skills:

- Good communication skills and technical writing.
- Ability to work as part of a team.
- Ability to work under pressure.
- Good time management skills.
- Good planning and administration.
- Creativity and inventiveness .
- Friendly and Responsible.
