

## **Ehab M. Hosny Ragab**

### **1. Name**

Ehab Mohamed Hosny Ragab.

### **2. Education: Degrees, discipline, institution and date**

- Ph.D., Civil Engineering, Construction Materials, Moscow State University of Civil Engineering (MFCY) (Russia), 2005.
- M.Sc., Civil Engineering, Construction Materials, Benha Higher Institute of Technology (Faculty of Engineering, Benha University now), 1999.
- B.Sc., Civil Engineering, Benha Higher Institute of Technology (Faculty of Engineering, Benha University now), 1994.

### **3. Academic experience – institution, rank, title**

- Northern Border University, KSA, Assistant Professor, 2011 - present, full time.
- University of Benha, Egypt, Assistant Professor, 2006 -2011, full time.
- Moscow State University of Civil Engineering, Russia, Research Assistant (Ph.D. study), 2001- 2005, full time.
- Benha Higher Institute of Technology (Faculty of Engineering, Benha University now), Egypt, Teaching Assistant, (2000 – 2001 and 2005 – 2006 ), full time.
- Benha Higher Institute of Technology (Faculty of Engineering, Benha University now), Egypt, Instructor, 1996-2000, full time.
- Benha Higher Institute of Technology (Faculty of Engineering, Benha University now), Egypt, Instructor, 1994-1996, part time.

### **4. Non academic experience – company or entity, title, brief description of position, when (ex. 1993-1995), full time or part time**

- Member of the Consulting Engineering Committee – Benha Higher Institute of Technology (Faculty of Engineering, Benha University now), Designer and Supervisor Engineer, 1996-2001 and 2005-2010, part time.
- Arab Engineers Consultant office - Egypt, Designer and Supervisor Engineer, 1994 - 2001, part time.
- Ministry of Culture - Historical Cairo Project - Egypt, Supervisor Engineer, 2008-2011, part time.

### **5. Certification or professional Registration**

None

### **6. Current membership in professional organizations**

- Egyptian Syndicate of Engineers.

### **7. Honors and Awards**

- B.Sc with degree of honor from Benha Higher Institute of Technology (Faculty of Engineering, Benha University now)

#### **8. Service activities**

- 2011- 2014, Member of Laboratories Committee in the College of Engineering NBU.
- 2013 – 2020, Member of Development of Civil Engineering Program Plan Committee, College of Engineering NBU.
- 2014 – 2016, Member of Supervision College's Library Committee in the College of Engineering NBU.
- 2017 – Present, Member of Registration Committee in the College of Engineering NBU.
- 2017 – Present, Member of Academic Advising Committee in the College of Engineering NBU.

#### **9. Publications:**

- Ahmed Youssef, Ehab Hosny " Strengthening of (R.C.) Beams With Openings by Near Surface Mounted CFRP: Experimental study" Engineering Research Journal, Faculty of Engineering, Helwan University, March 2011, Vol. 129, pp c1-c15.

#### **10. Professional development activities:**

- Participated in more than 10 workshops in the Deanship of Community Service and Continues Service NBU in different fields (Accreditation, Library, and Statistical Programs and other), 2011-2023.
