FIRAS MOHAMMED ALLAN

Personal

Nationality: Jordanian
Birth Date & Place: 4/1/1977 – KSA.
Marital Status: Married

Objective

To become an effective and conscientious corporate engineer. My basic engineering background and my diverse activities will have formed a solid foundation for this goal.

Experience

July-Sep.1998 Computer Triangle Company (CTC) Jordan

Student Engineer under Training

- Trained on Troubleshooting PC's (SW/HW) Problems.
- Worked on the maintenance of Printers.
- Maintain Terminals Network and PC's Network(LAN/WAN), TCP/IP, and Modems.
- Implemented training course of Network Essentials, and Core technologies of Windows NT.

Working Experience

Oct. 1999 – Jul. 2005 Applied Science Private University (ASU) Jordan

Jul. 2005 – Sep 2006 Higher Council for Youth (HCY) Jordan

Oct. 2006 – Feb 2009 Youth Leadership Center / Higher council
for Youth Jordan

Feb 2009 – Sep 2009 Higher Council for Youth (HCY) Jordan

Sep 2009 – Till Now Northern Border University

Computer Lab. Supervisor and Teacher Assistant

- Supervisor of PC Lab of C, C++, JAVA.
- Supervisor of Computer Architecture Lab.
- Supervisor of Microprocessor Lab.
- Supervisor of measurement lab in the faculty of engineering.
- Assist in teaching advance programming C language.

Computer Department at Higher Council for Youth (HCY)

- Administrator of HCY server (Win 2003 Server).
- Supervisor of computer and network maintenance.

Head of Information Technology department at Youth Leadership Center / Higher Council for Youth

- Member of purchasing committee at the YLC.
- Information Technology Trainer for HCY.

- All computer activities at the center.
- **Head of E-Gov department at Higher Council for Youth**
- Administrator of HCY server.
- Supervisor of computer and network maintenance.
- Information Technology Trainer for HCY.
- Trainer for HCY applications.
- Member of technical committee at the HCY.
- Focal point between HCY and Ministry of Information Technology and Communication.

Education

- **MSc. in Computer Science**
2003-2005 Amman Arab University for Graduate Studies Amman, Jordan
- **BSc. in Computer Engineering**
1994–1999 Applied Science Private University (ASU) Amman, Jordan

Graduation Project

- Graduation Project through BSc.
“**BIT SLICE PROCESSOR TECHNIQUE**”, microprocessor using PLA controller to find some processing job, we connect this technique to support the microprocessor.
- Graduation Project at MSc.
“**Building Management System**” , full analysis, and solution of safety home system.

Professional Certificates

ICDL – Feb - 2006
CCNA (Cisco Certified Network Associate) – Sep 2006.
MCP on Windows Server 2003 – Oct 2006
BSCI (Building Scalable Cisco Internetworks) – Dec 2006
ICDL Advanced – Sep 2007

Training Courses

- Microsoft Office Project 2007, Managing Projects at GCE. Aug-2009
- Security Track: Designing and Managing a Windows Public Key Infrastructure at GCE. Jul-2008
- Microsoft Office Specialist MOS: Master Certification at GCE. Mar-2008
- Infrastructure Security (Firewalls, Routers) at Arab academy for Microsoft Technologies. Apr-2007
- Implementing and Administering Security at Arab academy for Microsoft Technologies. Mar-2007.

- Fundamentals of Network Security (Security +) at Arab academy for Microsoft Technologies. Feb-2007.
- Deploying and Managing Microsoft Internet Security and Acceleration Server ISA 2004 at Arab academy for Microsoft Technologies. Jan-2007
- Wireless Technologies at Arab academy for Microsoft Technologies. Dec-2006
- Advanced Routing at Arab academy for Microsoft Technologies. Nov-2006
- LAN & Metro Technologies at Arab academy for Microsoft Technologies. Sep-2006
- Advanced Networking at Arab academy for Microsoft Technologies. Aug-2006
- Fundamentals Networking at Arab academy for Microsoft Technologies. Jul-2006.
- Microsoft Exchange 2003 at Arab academy for Microsoft Technologies. Jul-2006.
- IT Project Management at Arab academy for Microsoft Technologies. Jun-2006.
- IT communication skills at Arab academy for Microsoft Technologies. May-2006.
- Data Base (SQL 2000 administration) at Arab academy for Microsoft Technologies. Apr-2006.
- System Administration at Arab academy for Microsoft Technologies. Mar-2006.
- Windows Server 2003 Active Directory at Arab academy for Microsoft Technologies. Mar-2006.
- Windows Server 2003 Networking Infrastructure: Network Services at Arab academy for Microsoft Technologies. Jan-2006.
- Windows Server 2003 Networking Infrastructure: Network Host at Arab academy for Microsoft Technologies. Dec-2005.
- Windows Server 2003 at Arab academy for Microsoft Technologies. Nov-2005.

Networking Skills

- Configuring and administering Cisco Routers : Configuring and troubleshooting routing protocols: OSPF , IGRP , EIGRP, RIP and static routes, Configuring ACLs (Access Control Lists) , Configuring NAT.
- Configuring and administering Cisco Catalyst LAN Switches: Configuring inter-switch VLANs on Cisco, configuring VTP.
- Configuring WAN technologies: Leased Line, ADSL, Frame-Relay, ISDN.

Languages

Excelent command of English language, Reading, Writing, and speaking.
